

Silchester Village Hall Development - October 2011

Village Hall Governance - With reference to the future governance arrangements for the village hall, we apologise that the Trustees have not yet reconvened the public general meeting that had to be postponed in July - we are waiting responses from the Charity Commission and others on some of the clauses in Schedule A. The approval or otherwise of this Schedule will be the subject of a Resolution to be considered by those inhabitants of Silchester present at the reconvened meeting. Please rest assured that we will publicise the date of the reconvened meeting as soon as possible. In the meantime you may be interested to visit the updated Silchester Village Hall website which has an article about the Charity and its governance which gives the background to our current situation

Silchester Beer Festival – Silchester Association's Beer Festival in the Village Hall on Saturday 10th September, was a great success, and should result in a large amount being donated to Village Hall, the final figures are not yet available, but judging by the number of people present and the amount of beer being tasted, a good time was had by all. Thanks to Frottage who provided music to entertain the crowds and to everyone from Silchester Association who gave their time and energy to make the event a success.

Bonus Ball – Fiona Mills was the winner of the July bonus ball and the August winner was David Coles. If you would like to take part in the Bonus Ball competition please contact Nicky for your chance to win each month. The more people that take part, the bigger the prizes.

Auction – Our next auction will be held on **Saturday, 12th November**, with goods being registered from 6pm on Friday, 11th November. Why not take this opportunity to have a clear out before Christmas, raise some funds for yourselves, and help raise a little for the Village Hall Development.

Why not visit our website www.Silchestervillagehall.org.uk for information on everything to do with the Village Hall.
